

REMARKS/ARGUMENTS

In response to the Notice of Non-Compliant Amendment of July 14, 2008 the Applicant respectfully submits the accompanying Amendment of the claims and the following remarks.

Regarding Amendment

In the Amendment:

claims 1-57 are cancelled;

new claims 58-60 are added corresponding to originally filed claims 28-30; and

new claims 61-64 are added corresponding to originally filed claims 49-52.

It is respectfully submitted that the Amendment does not add any new matter to the present application.

Regarding Continuation of 5

It is respectfully submitted that the Amendment adopts the requirements made in the Notice of Non-Compliant Amendment, where new claims 58-64 correspond to originally filed claims 28-30 and 49-52 and therefore encompass the Examiner's indicated Invention III elected by the Applicant on April 17, 2008 in the Applicant's Reply to the Examiner's Election/Restriction Requirement of March 18, 2008.

It is respectfully submitted that the required Amendment and election of invention has been made. Accordingly, it is respectfully submitted that the present application is in condition for allowance and reconsideration is respectfully requested.

Very respectfully,

Applicant/s:
